SUPPORT BOSTON COMMANDERY

1993 ANNUAL CHRISTMAS APPEAL

Enclosed with this Notice of Call of the Special and Stated Conclave during the month of November is our Annual Christmas Appeal Envelope. These are particularly difficult times for all of us, none of our lives are untouched by those in need. Many of our own Sir Knights are not exempt. Please make an effort to contribute whatever you can without injury to yourself or your family no matter how insignificant it may seem. The envelopes may be returned by mail with your dinner reservations November/December or bring it with you and deliver it to the Commander personally at the next three Conclaves. Your prompt action will insure that some of those in need this Christmas Holiday Season will be remembered with Knightly Greetings. Remember, the Captain of our Salvation preaches it is better to give than to receive. Please help make our 1993 Christmas Appeal a success. Your participation is what is so necessary to the success of this program. The Commander and Officers of Boston Commandery all thank you and wish for you a happy and enjoyable holiday season.

Fraternally,

ROBERT G. WILSON, III, Recorder

COMMANDER'S MESSAGE

DEAR SIR KNIGHTS:

Newport in October proved to be an incredible time. It began with a soiree at Belcourt Castle. Eminent Sir Marlin Whitney arranged an evening, which included a tour of a Newport "cottage," interwoven with the task of determining who killed whom and where, and a marvelous meal. As we came and went to our rooms, we have Sir Knight W. Jack Bennett to thank for our accommodations and all the comforts and amenities. I would also like to thank those who contributed their time, which made for a beautiful Hospitality Suite.

We wish to thank Rt. Eminent Sir David Esancy for assisting in the Installation of our Recorder, Sword Bearer and Organist.

Do not forget our Christmas Observance on December 15, 1993. The families of all Sir Knights are invited for an enjoyable evening.

Fraternally,

DOUGLAS A. MARTIN, Commander
"Caed Mile Failte"
